# Congratulations

May we be the first to wish you health, wealth and happiness in your future life together. Planning a wedding is always a challenge, but we will do everything we can to make your big day a successful and enjoyable one for you and your guests.

Our established and professional team at The Mansion House are delighted to be able to help organise this very special occasion for you. We sincerely look forward to welcoming you, your friends and family and helping you to celebrate your special day.

## What the Venue has to Offer

It is important to us that you and your guests feel comfortable and relaxed whilst enjoying the beautiful romantic surroundings of the grade II listed Mansion House.

The House, Orangery, Diamond Suite function room and private walled gardens offer beautiful internal and external spaces for photographs and celebrations that can be truly unique. Indeed, should you choose to enjoy exclusive use of the venue's public areas, you can create a very individual experience for yourself and your guests as they enjoy all of the facilities that this historic site has to offer. The bridal party and guests will be greeted on arrival by our event coordinator.

This superb location offers a unique combination of old and new with fantastic flexibility on your special day. This includes the opportunity for couples to enjoy the beautiful state-of-the-art orangery and relax in the newly restored private garden with renovated fountain centrepiece. Age UK Mid Mersey would like to acknowledge funding received from the Heritage Lottery Fund and the support of St. Helens Council and Friends of Victoria Park in achieving this.

To have a look for yourself, please arrange a visit to meet with one of our event coordinators to see how you could use all that The Mansion House has to offer.

# Supporting Mid Mersey ageUK

There is an additional benefit to spending your money at The Mansion House. This beautiful estate is run solely to raise funds for Age UK Mid Mersey to enable delivery of a range of vital services for older people in your community, for example:

£1 raised will fund the cost of a vital call to an isolated older person at a time of crisis or during a major change in their life.

£5 will support a volunteer in visiting a housebound older person to offer friendship and companionship, do small jobs and help them feel more safe and secure.

£8 will fund the cost of an individual to attend specialist exercise classes to help maintain mobility and to help prevent falls.

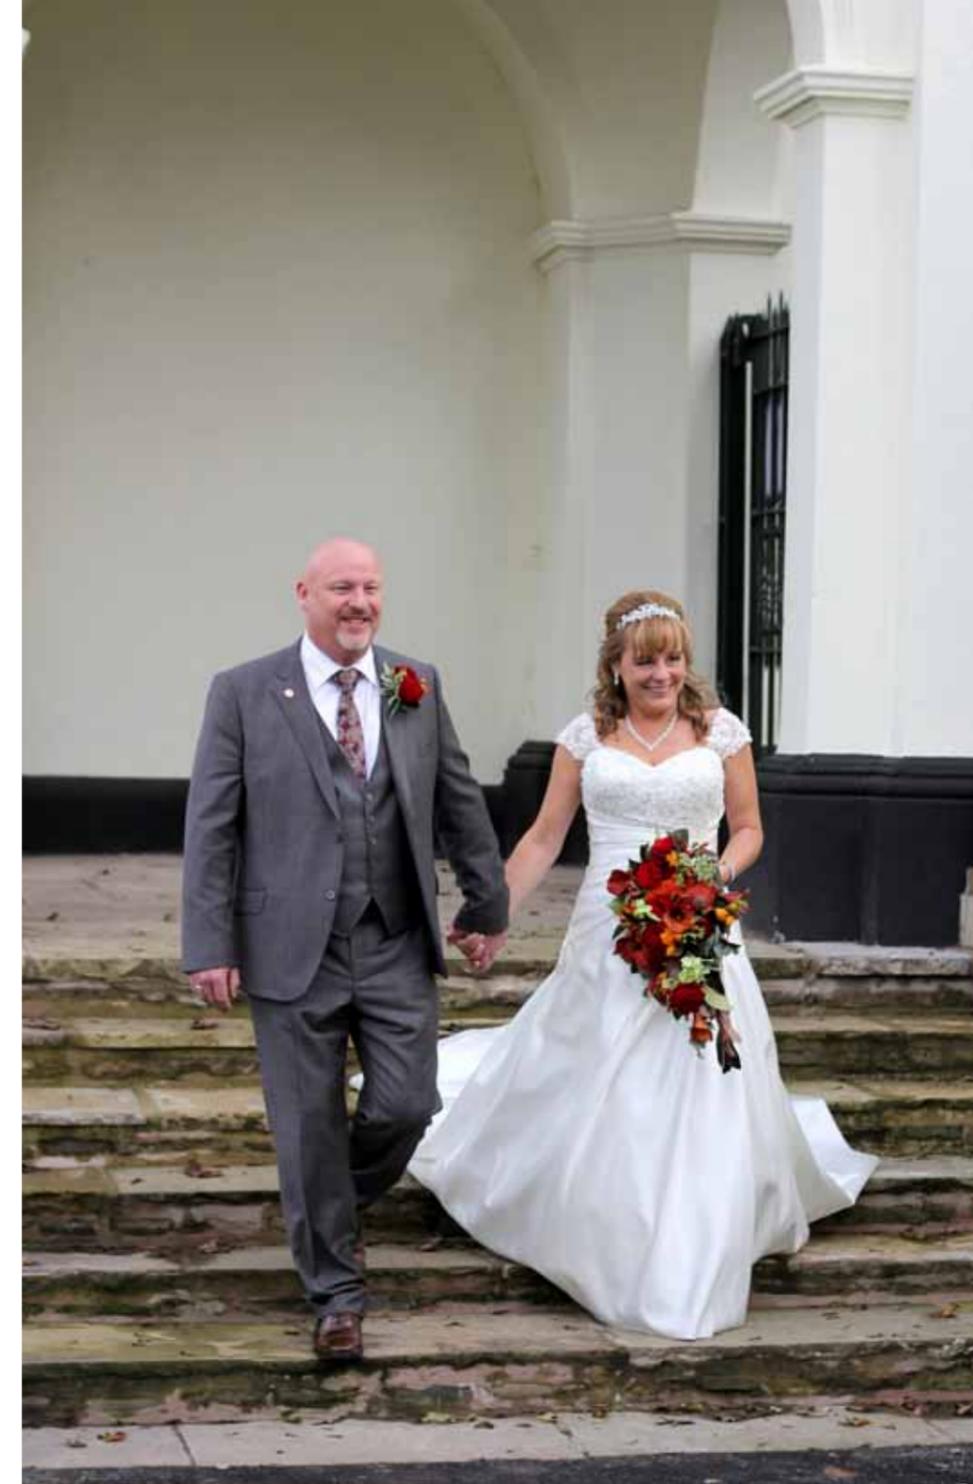

£15 helps fund our specialised information and advice service. This service supports older people, their families and their carers through a variety of issues including money and benefits advice, housing and care in the community.

We genuinely can make a little go a really long way to changing someone's life. When considering your loved ones you can rest assured that Age UK Mid Mersey will be there to support them.
